

Workshop Camera Club Loan Equipment

The club has a number of items of equipment for loan to members. Click on the 'action' below to email the equipment officer to check availability of the item and to arrange pickup.

The member agrees to the following loan conditions:

- The member will collect and return the equipment promptly.
- The equipment is for use by members only and must not be re-lent or used by others.

The member is responsible for any loss or damage to the equipment, however caused.

Scanning software must be uninstalled on return of scanner.

Equipment includes instructions/manuals and software and leads for electronic items. Note that scanning a large number of slides will be very time consuming.
